

Testimonials

My daughter actually wanted to go to school at Lakeside. She worked hard. You gave her the confidence she needed. Before she attended Lakeside, she always just gave up, thinking she could not succeed. This has all changed.

Mother, Colonial School District

I feel so lucky to have gone to Lakeside. You helped me so much. I graduated high school with honors and I'm now in my third year of college. My daughter's teachers tell me she is learning so quickly and that I'm doing a great job as her mother. Thank you for everything.

Student, Upper Merion School District

When we find our client is in Lakeside's program, we know she is continuing her high school education, receiving pre-natal instruction, individualized counseling for her unmet needs and family support during a very traumatic time in her life.

RN, Abington Memorial Hospital

You have no idea how grateful I am to be at Lakeside. I am going to do everything in my power to stay in school. You are giving me my last chance and I refuse to blow it. You are helping me turn my old patterns around. Thank you for all the hard work you put into me and my schooling.

Student, Central Bucks High School
